Shelley N. 5/1/2025

Love this place! Ideal location to access anything you need. Larry and Jarrett are so friendly and beyond helpful. We stayed at the dock for night one so we could provision easily and leave our bikes on shore. We then spent another week on a ball in the mooring field. Easy access to a dinghy dock right off the mooring with a little mini mart that has a bit of everything and a short walk to the beach. A little longer dinghy ride back to the municipal docks for access to everything. Great town with really awesome locals. I really love it here. I will say that night one at the dock was very loud until midnight because Sea Witch had a band (8p-12a) so check their site and their music line up if you are not a fan of noise. Otherwise it would have been super chill. Mooring was peaceful and quiet. Most boaters move slowly through the channel. Overall--great people, great location at a great price! 5 stars. :)

Great location. Lots of bars and restaurants. One block from the beach. Excellent dock hands and dock master. They checked on us every day.
