Reviews:

Dave B. 6/10/25

We have visited Carolina Beach before, but this is the first time using the mooring field. There was a strong storm approaching and we were appreciative to have the security of a solid and well maintained mooring ball. They were easy to approach in deep water and easy to grab the pendant. Larry was very helpful on the phone and quickly answered a question we had. The area is great with the plentiful dinghy docks allowing access to the beach, restaurants, grocery and other businesses.

Linda C. 6/13/25

Had a wonderful time. We love it there
