Reviews:

Danette S. 7/16/25

Well maintained moorings - harbor master monitors the mooring field and will stop by to say hello and offer recommendations in town upon arrival. There are 2 available dingy docks for easy beach and land access. Very boater friendly!

Chelsea S. 7/6/25

Docks were great and well maintained! Staff replied very quickly! Carolina Beach is one of our favorites!

Jason M. 7/6/25

The marina staff is responsive to the telephone but not so much present on the dock. The facilities were well kept and clean. However, if you don't like charter fishing boats and lots of people walking about (we do enjoy that) that would be something to consider for your stay. Plenty of things to do, restaurants bars and convenience stores, very close by.
